

Happy 35th Birthday *to the* *Beaver Scouts*

On 1st April, it will be 35 years since the Beaver Scouts' first ever meeting.

To celebrate, you can earn this special badge

All you have to do is complete 35 challenges!

Some are silly; some are "Scouty"; some are just fun

Choose your challenges from the list. There are more than 35, so you can pick the ones you want to do.

Let your leader know what you've done and we'll send you a special birthday badge

You have until the end of April to finish your challenges

Good luck!
