Appointment under consideration

Dear

As Scouts, we prepare young people with skills for life. We encourage young people to do more, learn more, and be more. Each week, we help over 460,000 young people enjoy fun and adventure while developing the skills they need to succeed; now and in the future.

These 460,000 young people are supported by around 160,000 adult volunteers. The adult named above has offered to volunteer/is currently volunteering for the Scouts and has given your name as a referee.

As an organisation committed to the safeguarding of children and young people, we must be sure that any new volunteers are suitable before they can take on their role and we would ask you to assist us in this important matter.

Could you please take a few minutes to complete this reference, which will remain confidential, and return it to the person identified at the bottom of this page? It would be very helpful to have your reply as soon as possible, so that the voluntary appointment is processed as efficiently as possible.

In commenting on the applicant, please would you bear in mind that the appointment under consideration may involve substantial work with children, young people or charitable funds. We would therefore appreciate you being extremely candid in your responses.

If you are interested in volunteering with the Scouts, take a look at our website scouts.org.uk/get-involved to find more information about how you can help young people develop skills for life.

Thank you for your help.
